

P..Category	Product ID	Product Name	P.Description	NOTES
Pre-Clinical Science	A-001	Adult Human Articulated Skeleton with Hanging Facility	Adult human articulated skeleton with body parts and hanging facility	
Pre-Clinical Science	A-002	Full Set of Dis-Articulated Adult Human Skeleton	Complete set of dis-articulated adult human skeleton	
Pre-Clinical Science	A-003	Monocular Microscope	Monocular microscope for laboratory use	
Pre-Clinical Science	A-004	Binocular Microscope	Binocular microscope for laboratory use	
Pre-Clinical Science	A-005	Prepared Educational Slides (Histopathology)	Histopathology prepared educational slides	
Pre-Clinical Science	B-001	Full Size Human Body Showing Muscles and Arteries	Full-size human body model showing muscles and arteries	
Pre-Clinical Science	B-002	Male Human Torso	Male human torso model	
Pre-Clinical Science	B-003	Female Human Torso	Female human torso model	
Pre-Clinical Science	B-004	Skin Cross Section	Skin cross-section model	
Pre-Clinical Science	B-005	Heart and Large Blood Vessels	Heart model with large blood vessels	
Pre-Clinical Science	B-006	Heart with Detachable Parts on Stand	Heart model with detachable parts mounted on stand	
Pre-Clinical Science	B-007	Eye with Detachable Part on Stand	Eye model with detachable parts on stand	
Pre-Clinical Science	B-008	Ear with Different Sections	Ear model showing different sections	
Pre-Clinical Science	B-009	Human Brain with Spinal Cord	Human brain model with spinal cord	
Pre-Clinical Science	B-010	Lungs and Trachea	Lungs and trachea model	
Pre-Clinical Science	B-011	Larynx	Larynx model	
Pre-Clinical Science	B-012	Stomach	Stomach model under digestive system	
Pre-Clinical Science	B-013	Small Intestine	Small intestine model under digestive system	
Pre-Clinical Science	B-014	Hepatobiliary System	Hepatobiliary system model	
Pre-Clinical Science	B-015	Female Reproductive System	Female reproductive system model	
Pre-Clinical Science	B-016	Uterus on Stand	Uterus model mounted on stand	
Pre-Clinical Science	B-017	Kidney Macroscopic Structure	Macroscopic kidney structure model	
Pre-Clinical Science	B-018	Kidney Microscopic Structure	Microscopic kidney structure model	
Pre-Clinical Science	B-019	Male Reproductive System	Male reproductive system model	
Pre-Clinical Science	B-020	Ovaries Macroscopic Structure	Macroscopic structure of ovaries	
Pre-Clinical Science	B-021	Ovaries Microscopic Structure	Microscopic structure of ovaries	
Pre-Clinical Science	B-022	Wrist Joint and Ligaments	Wrist joint and ligament model	
Pre-Clinical Science	B-023	Ankle Joint and Ligaments	Ankle joint and ligament model	
Pre-Clinical Science	B-024	Elbow Joint and Ligaments	Elbow joint and ligament model	
Pre-Clinical Science	B-025	Knee Joint and Ligaments	Knee joint and ligament model	
Pre-Clinical Science	B-026	Shoulder Joint and Ligaments	Shoulder joint and ligament model	
Pre-Clinical Science	B-027	Hip Joint and Ligaments	Hip joint and ligament model	
Pre-Clinical Science	B-028	Teeth Small	Small teeth model	
Pre-Clinical Science	B-029	ABDOMINAL PALPATION MANIKIN	ABDOMINAL PALPATION MANIKIN model	
Pre-Clinical Science	B-030	CERVICAL DILATION	CERVICAL DILATION MODAL	
Pre-Clinical Science	B-031	CHILD MULTIFUNCTIONAL MANIKIN	CHILD MULTIFUNCTIONAL MANIKIN	
Pre-Clinical Science	B-032	FEMALE PELVIS	FEMALE PELVIS model	
Pre-Clinical Science	B-033	INFANT CPR WITH MONITOR	INFANT CPR WITH MONITOR model	
Biology	BIO-001	Skeleton	Human skeletal model for anatomy and physiology demonstrations.	
Biology	BIO-002	Eye Model	Detailed model showing the structure and functioning of the human eye.	
Biology	BIO-003	Reproductive System Male/Female Model	Educational model illustrating male and female reproductive organs.	
Biology	BIO-004	Skin Model	Displays layers and structures of human skin for biology study.	
Biology	BIO-005	Charts	Educational biology charts for classroom teaching and demonstrations.	
Biology	BIO-006	Shoulder Joint Model	Anatomical model demonstrating the structure and movement of the shoulder joint.	
Biology	BIO-007	Unisex Torso 23 Parts 85cm	Detailed human torso model with removable organs for anatomy study.	
Biology	BIO-008	Mini Torso 50cm	Compact torso model for teaching internal human anatomy.	
Biology	BIO-009	Male Muscular Figure 78cm	Anatomical figure showing major muscles and body systems.	
Biology	BIO-010	Mini Whole Body Muscled Man	Educational muscular body model for biology demonstrations.	
Pre-Clinical Science	C-001	Working Model of Heart	Functional working heart model	
Chemistry	CHE-001	Cork Borer German Pattern	Tool used for boring holes into corks and rubber stoppers.	
Chemistry	CHE-002	Spirit Lamp Aluminium	Portable heat source used for laboratory heating applications.	
Chemistry	CHE-003	Gas Taps	Controls gas flow in laboratory burners and gas systems.	
Chemistry	CHE-004	Crucible with Lid	Heat-resistant container used for heating chemicals at high temperatures.	
Chemistry	CHE-005	Burette Clamp Fisher Type	Clamp designed to securely hold burettes during titration experiments.	
Chemistry	CHE-006	Bunsen Burner Mansfield Type	Laboratory burner used for heating, sterilisation, and combustion.	
Chemistry	CHE-007	Dial Type Thermometer	Thermometer with dial display for temperature measurements.	
Chemistry	CHE-008	Wall Thermometer	Large demonstration thermometer for classroom teaching.	
Chemistry	CHE-009	Tripod Stand	Support stand used for heating vessels over burners.	
Chemistry	CHE-010	Test Tube Stand Metal	Metal stand for safely holding and organising test tubes.	
Geography	GEO-001	Model of Volcano	Demonstrates volcanic structure and eruption processes.	
Geography	GEO-002	Political Globe	Shows countries, capitals, and political boundaries of the world.	
Geography	GEO-003	Model of Earth Internal Structure	Illustrates layers of the Earth including crust, mantle, and core.	
Geography	GEO-004	World Physical Map	Map displaying physical landforms, mountains, rivers, and oceans.	
Geography	GEO-005	Model of Contour Map Interpretation	Used to explain contour lines and topographical mapping concepts.	
Geography	GEO-006	Earth Movement Model	Demonstrates Earth's rotation and revolution around the sun.	
Geography	GEO-007	Abney Level with Slow Motion 5"	Surveying instrument used for measuring slopes and elevations.	
Geography	GEO-008	Plane Table Complete	Surveying setup used for field mapping and plotting.	
Geography	GEO-009	Indian Subcontinent Physical Map	Educational map showing the physical features of the Indian subcontinent.	
Geography	GEO-010	Model Solar System	Demonstration model showing planets and their arrangement around the sun.	
Geography	GEO-011	Magnetic Trough Compass in Wooden Box	Compass instrument used for surveying and directional measurements.	
Geography	GEO-012	Cross Staff	Surveying instrument used for setting out right angles.	
Geography	GEO-013	Alidade (Sight Vane) Brass	Instrument used with plane tables for sighting and mapping.	
Geography	GEO-014	Plumbing Fork	Surveying accessory used for centring plane table equipment.	
Geography	GEO-015	Abney Level with Slow Motion	Precision surveying tool for measuring vertical angles.	
Geography	GEO-016	Indian Pattern Clinometer Tangent	Instrument used for measuring slopes and angles of elevation.	
Geography	GEO-017	Brass Plumbob	Weighted instrument used for establishing vertical reference lines.	
Geography	GEO-018	Survey Chain	Chain used for land measurement and surveying activities.	
Geography	GEO-019	Optical Square	Surveying instrument used for setting out perpendicular lines.	
Geography	GEO-020	Plane Table Complete	Surveying setup used for field mapping and plotting.	
Mathematics	MAT-001	Geometrical Solids (Wooden)	Wooden models used for teaching three-dimensional geometric concepts.	
Mathematics	MAT-002	Geo Board (Plastic)	Interactive board for learning shapes, angles, and coordinate geometry.	
Mathematics	MAT-003	Cylinder Cut in 8 Parts (Wooden)	Demonstrates fractions and geometric volume concepts using sectional pieces.	

Mathematics	MAT-004	Shapes Magic (Wooden)	Educational toy for recognising and arranging geometric shapes.
Mathematics	MAT-005	Cubes (Plastic)	Counting and construction cubes used for maths activities and demonstrations.
Mathematics	MAT-006	Metric Wheel	Measuring wheel used for distance measurement activities.
Mathematics	MAT-007	3D-Paper Nets	Teaching aid used to demonstrate formation of 3D geometric shapes.
Mathematics	MAT-008	Student Abacus 17 Rods	Mathematical counting tool for arithmetic learning and calculations.
Mathematics	MAT-009	Drawing Instruments Set	Set of geometry instruments for technical and mathematical drawing.
Mathematics	MAT-010	Standard Time Indicator (Metal)	Demonstration model used for teaching time and clock reading.
Mathematics	MAT-011	Formation of Tetrahedron	Model demonstrating construction and geometry of tetrahedrons.
Mathematics	MAT-012	Cuisenaire Strips	Colour-coded rods used for teaching arithmetic and fractions.
Mathematics	MAT-013	Parallelogram Kit	Teaching aid for understanding properties of parallelograms.
Mathematics	MAT-014	Metric Wheel	Measuring wheel used for distance measurement activities.
Mathematics	MAT-015	Base & Place Value Kit	Mathematics kit used for teaching number systems and place values.
Mathematics	MAT-016	Geo Board Pin Type	Pin-type geoboard for creating and studying geometric figures.
Mathematics	MAT-017	Four Line Abacus	Abacus model used for early arithmetic learning.
Mathematics	MAT-018	Time & Work Kit	Educational kit for understanding mathematical time and work concepts.
Mathematics	MAT-019	Roman Number Kit	Teaching aid used for learning Roman numerals.
Mathematics	MAT-020	Fraction Bar	Visual aid used for teaching fractions and equivalence.
Mathematics	MAT-021	Counting Beads	Colourful counting beads used for counting and basic mathematics learning
Mathematics	MAT-022	Counting Beads Type-2	Threaded counting beads for counting and sequencing activities
Mathematics	MAT-023	Interlocking Cubes	Interlocking cubes for counting, sorting and construction activities
Mathematics	MAT-024	Shapes	Geometric shapes for sorting and recognition
Mathematics	MAT-025	Place Value Cards	Cards for teaching place value concepts
Mathematics	MAT-026	Abacus	Traditional abacus for arithmetic learning
Mathematics	MAT-027	Abacus Type-2	Multi-row abacus for counting exercises
Mathematics	MAT-028	Abacus Type-3	Compact abacus model for mathematical operations
Mathematics	MAT-029	Magnetic Base 10 Block	Magnetic base 10 blocks for place value and arithmetic
Mathematics	MAT-030	Teacher Geometry Box	Large geometry instrument kit for teachers
Mathematics	MAT-031	Jumbo Geometry Box	Jumbo geometry instrument set
Mathematics	MAT-032	3D Shapes	Wooden 3D geometric solids
Mathematics	MAT-033	3D Shapes Colourful	Coloured 3D geometric models
Mathematics	MAT-034	Shape Sorter	Shape sorting educational activity set
Mathematics	MAT-035	Relation Between Cone & Cylinder	Demonstration model showing cone and cylinder relationship
Mathematics	MAT-036	Hollow Sphere	Transparent hollow sphere model
Mathematics	MAT-037	Hollow Cylinder	Transparent hollow cylinder model
Mathematics	MAT-038	Cylinder Cut in 8 Part	Cylindrical model divided into 8 sections
Mathematics	MAT-039	Vertex Wonder	Construction kit for vertices and 3D models
Mathematics	MAT-040	Geoboard	Geoboard for geometry and pattern activities
Mathematics	MAT-041	Geoboard Circular	Circular geoboard for angle and geometry demonstrations
Mathematics	MAT-042	Parallelogram Kit	Kit for understanding parallelogram concepts
Mathematics	MAT-043	Derivation of Pi	Demonstration model for deriving Pi
Mathematics	MAT-044	Base 10 Block	Base 10 block set for arithmetic and place value
Mathematics	MAT-045	Tangram	Tangram puzzle set for pattern activities
Mathematics	MAT-046	Tangram Type-2	Alternate tangram puzzle set
Mathematics	MAT-047	Fractional Disk	Fraction learning disk set
Mathematics	MAT-048	Fraction Bar	Fraction bar teaching aid
Mathematics	MAT-049	Circle Fraction	Circular fraction model
Mathematics	MAT-050	Fraction Wheel	Fraction wheel demonstration kit
Mathematics	MAT-051	Half Meter Scale	Measuring scale for length measurement
Mathematics	MAT-052	Vernier Caliper	Precision measuring instrument
Mathematics	MAT-053	Measuring Cups/Jugs	Measuring containers for volume measurement
Mathematics	MAT-054	Kitchen Balance	Weighing balance for measurement activities
Mathematics	MAT-055	Spring Balance	Spring balance for weight measurement
Mathematics	MAT-056	Analytical Weight Box	Standard analytical weight set
Mathematics	MAT-057	Dummy Clock	Educational clock model for time learning
Mathematics	MAT-058	Student Time Indicator	Time and globe indicator model
Mathematics	MAT-059	Stop Watch	Stopwatch for timing activities
Mathematics	MAT-060	Dummy Currency	Educational currency notes set
Mathematics	MAT-061	Plastic Dices	Plastic dice set for probability activities
Mathematics	MAT-062	Cards	Playing cards for mathematics activities
Mathematics	MAT-063	Junior Pythagoras Theorem	Demonstration model for Pythagoras theorem
Mathematics	MAT-064	Working Model of Pythagoras Theorem	Working demonstration model of Pythagoras theorem
Mathematics	MAT-065	Conic Section	Models demonstrating conic sections
Mathematics	MAT-066	Algebra-(A+B+C) ²	Algebraic identity demonstration model
Mathematics	MAT-067	Student Identity Kit	Algebraic identity learning kit
Mathematics	MAT-068	Algebra Tiles	Algebra tiles for equation solving and algebra learning
Mathematics	MAT-069	Clinometer Compass	Clinometer and compass for trigonometry experiments
Mathematics	MAT-070	Trigonometry Board Kit	Trigonometry demonstration board kit
Mathematics	MAT-071	Trigonometry Puzzles	Puzzle set for trigonometry concepts
Mathematics	MAT-072	Junior Maths Kit	Comprehensive junior mathematics learning kit
Mathematics	MAT-073	Senior Maths Kit	Advanced mathematics educational kit
Mathematics	MAT-074	Mensuration Kit	Kit demonstrating mensuration concepts
Midwifery and Nursi	MNL-001	Stages of Development of Embryo Model	Model demonstrating the developmental stages of the human embryo for teaching embryology and fetal growth.
Midwifery and Nursi	MNL-002	Abdominal (Antenatal) Palpation Manikin	Training manikin used for practicing antenatal abdominal palpation and Leopold manoeuvre techniques.
Midwifery and Nursi	MNL-003	Human Fetus Replicas	Anatomically accurate fetal replicas used for obstetric and fetal development studies.
Midwifery and Nursi	MNL-004	Child Birth (Advanced Birthing) Simulator	Advanced childbirth simulator for labour, delivery, and episiotomy repair training.
Midwifery and Nursi	MNL-005	Cervical Dilatation Model with Accessories	Model demonstrating cervical dilatation stages during labour with accessories.
Midwifery and Nursi	MNL-006	Female Pelvis Model	Anatomical female pelvis model used for obstetric and gynecological education.
Midwifery and Nursi	MNL-007	Fetal Skull	Model of fetal skull used to study obstetric landmarks and fetal head anatomy.
Midwifery and Nursi	MNL-008	Placenta Model	Anatomical placenta model for obstetric and maternal health education.
Midwifery and Nursi	MNL-009	Breast Examination Model	Training model for clinical breast examination and breast health education.
Midwifery and Nursi	MNL-010	Essential New Born Care & New Born Resuscitation Manikin	Neonatal care and resuscitation manikin used for newborn emergency response training.
Midwifery and Nursi	MNL-011	Baby Doll / New Born Baby	Infant manikin used for newborn handling and nursing care practice.
Midwifery and Nursi	MNL-012	Adult IV Arm Training Kit	Intravenous injection and cannulation practice arm for nursing skill development.

P..Category	Product ID	Product Name	P.Description	NOTES
Midwifery and Nursing	COB-001	Pregnancy Chart	Breast changes and uterus changes during pregnancy	
Midwifery and Nursing	COB-002	Fetal Development Chart	Educational chart showing fetal development stages	
Midwifery and Nursing	COB-003	EDD Calculator Chart/Wheel	Estimated Date of Delivery calculation chart	
Midwifery and Nursing	COB-004	Stages of Labour Chart	First, second, and third stages of labour	
Midwifery and Nursing	COB-005	Birth Chart	Child birth educational chart	
Midwifery and Nursing	COB-006	Enlarged Partograph	SBA guideline-based labour monitoring chart	
Midwifery and Nursing	COB-007	Abnormal Presentations Chart	Breech and shoulder presentation chart	
Midwifery and Nursing	COB-008	Face Presentation Chart	Educational chart on face presentation	
Midwifery and Nursing	COB-009	Brow Presentation Chart	Educational chart on brow presentation	
Midwifery and Nursing	COB-010	Twin Pregnancy Chart	Educational chart on twin pregnancy	
Midwifery and Nursing	COB-011	Placenta Praevia Chart	Different stages of placenta praevia	
Midwifery and Nursing	COB-012	Abruption of Placenta Chart	Educational chart on placental abruption	
Midwifery and Nursing	COB-013	Caput Succedaneum & Cephalhaematoma Char	Neonatal head condition chart	
Midwifery and Nursing	COB-014	Congenital Malformation Chart	Cleft lip, spina bifida, hydrocephalus, anencephalus	
Midwifery and Nursing	COB-015	Government of India SBA Charts	Skilled Birth Attendant educational charts	
Midwifery and Nursing	COB-016	Anatomy of Female Reproductive System	Female reproductive anatomy chart	
Midwifery and Nursing	COB-017	Anatomy of Male Reproductive System	Male reproductive anatomy chart	
Midwifery and Nursing	COB-018	Family Planning Flip Book	Educational flip book for family planning	
Midwifery and Nursing	COB-019	BR/CR Flip Book for Counseling	Counseling educational flip book	
Midwifery and Nursing	COB-020	MEC Wheel	Medical eligibility criteria wheel	
Midwifery and Nursing	COB-021	Female Reproductive System Chart	Female reproductive anatomy educational chart	
Midwifery and Nursing	COB-022	Litmus Paper Strips	Red and blue litmus paper strips	
Midwifery and Nursing	CON-001	Glucometer Strips & Lancets	Blood glucose testing consumables	
Midwifery and Nursing	CON-002	Dropper	Laboratory dropper	
Midwifery and Nursing	CON-003	Benedict's Solution	500ml laboratory reagent bottle	
Midwifery and Nursing	CON-004	Acetic Acid	500ml laboratory chemical bottle	
Midwifery and Nursing	CON-005	Examination Gloves	Medium and large disposable gloves	
Midwifery and Nursing	CON-006	Adhesive Tape	Medical adhesive tape roll	
Midwifery and Nursing	CON-007	Povidone Iodine (Betadine)	100ml antiseptic solution	
Midwifery and Nursing	CON-008	Sterile Suction Catheters	Newborn suction catheters	
Midwifery and Nursing	CON-009	Catgut Mounted Needle	Surgical catgut with round body needle	
Midwifery and Nursing	CON-010	Mask	Disposable medical mask	
Midwifery and Nursing	CON-011	IV Cannulas & IV Set	Different sizes IV sets	
Midwifery and Nursing	CON-012	Syringes with Needle	2ml, 5ml, 10ml and 25ml syringes	
Midwifery and Nursing	CON-013	Foley Catheter	Foley and plain catheter	
Midwifery and Nursing	CON-014	Uro Bag	Urine collection bag	
Midwifery and Nursing	CON-015	New Born Dress	Infant clothing	
Midwifery and Nursing	CON-016	Blanket (New Born)	Newborn blanket	
Midwifery and Nursing	CON-017	Blanket (Mother)	Mother blanket	
Midwifery and Nursing	CON-018	Bed Sheets	Hospital bed sheets	
Midwifery and Nursing	CON-019	Pillow	Large and small pillows	
Midwifery and Nursing	CON-020	Pillow Covers	Pillow covers	
Midwifery and Nursing	CON-021	Draw Sheets	Large and small draw sheets	
Midwifery and Nursing	CON-022	Towel	1 meter towel	
Midwifery and Nursing	CON-023	Delivery Gown	Labour room gown	
Midwifery and Nursing	CON-024	Soft Brush	Cleaning brush	
Midwifery and Nursing	CON-025	Utility Gloves	Rubber utility gloves	
Midwifery and Nursing	CON-026	Plastic Mug	1 litre plastic mug	
Midwifery and Nursing	CON-027	Dry Duster Cloth	Cleaning duster cloth	
Midwifery and Nursing	CON-028	Syringes	Syringes in multiple capacities	
Midwifery and Nursing	CON-029	Tuberculin Syringe	Tuberculin syringe	
Midwifery and Nursing	CON-030	Insulin Syringe	Insulin syringe with needle	
Midwifery and Nursing	CON-031	Needle Box	Needles of assorted sizes	
Midwifery and Nursing	CON-032	IV Cannulas	Adult IV cannulas	
Midwifery and Nursing	CON-033	Suture Thread	Silk and cotton sutures	
Midwifery and Nursing	CON-034	Catgut	Surgical catgut material	
Midwifery and Nursing	CON-035	Gloves	Gloves in different sizes	
Midwifery and Nursing	CON-036	Bed Sheets	Hospital bed sheets	
Midwifery and Nursing	CON-037	Draw Sheets	Draw sheets	
Midwifery and Nursing	CON-038	Towels	Bath and hand towels	
Midwifery and Nursing	CON-039	Green Gowns	Hospital gowns	
Midwifery and Nursing	CON-040	Masks	Face masks	
Midwifery and Nursing	CON-041	Patient Clothes	Male and female patient sets	
Midwifery and Nursing	CON-042	Triangular Bandages	Triangular bandages	
Midwifery and Nursing	CON-043	Many-Tailed Bandages	Many-tailed bandages	
Midwifery and Nursing	CON-044	Benedict's Solution	Laboratory testing solution	
Midwifery and Nursing	CON-045	Tr. Iodine/Betadine	Antiseptic solution	
Midwifery and Nursing	CON-046	Hydrogen Peroxide	500 ml disinfectant solution	
Midwifery and Nursing	CON-047	Sodium Bicarbonate Powder	500 gm powder	

Midwifery and Nursing	EOI-001	BP Apparatus (Digital)	Digital blood pressure apparatus
Midwifery and Nursing	EOI-002	Stethoscope	Medical auscultation instrument
Midwifery and Nursing	EOI-003	Fetoscope	Fetal heart monitoring device
Midwifery and Nursing	EOI-004	Thermometer (Digital)	Digital body temperature device
Midwifery and Nursing	EOI-005	Measuring Tape	Clinical measuring tape
Midwifery and Nursing	EOI-006	Adult Weighing Scale	Round, square and digital weighing scales
Midwifery and Nursing	EOI-007	Haemoglobinometer	Hemoglobin testing instrument
Midwifery and Nursing	EOI-008	Glucometer (Plasma)	Blood glucose testing device
Midwifery and Nursing	EOI-009	Kidney Tray (SS)	Stainless steel kidney tray
Midwifery and Nursing	EOI-010	Spirit Lamp	Laboratory spirit lamp
Midwifery and Nursing	EOI-011	Test Tube Box	Storage box for 100 test tubes
Midwifery and Nursing	EOI-012	Test Tube Holder	Laboratory test tube holder
Midwifery and Nursing	EOI-013	Steel Tray with Lid	Stainless steel tray with lid
Midwifery and Nursing	EOI-014	Artery Forceps	Surgical artery forceps
Midwifery and Nursing	EOI-015	Straight Scissors	8-inch straight scissors
Midwifery and Nursing	EOI-016	Curved Episiotomy Scissors	Surgical episiotomy scissors
Midwifery and Nursing	EOI-017	Needle Holder	Surgical needle holder
Midwifery and Nursing	EOI-018	Dissecting Forceps	Toothed and non-toothed forceps
Midwifery and Nursing	EOI-019	Cheatle Forceps	Sterilization forceps
Midwifery and Nursing	EOI-020	Cheatle Forceps Holder	Holder for cheatle forceps
Midwifery and Nursing	EOI-021	Baby Weighing Machine	Infant weighing scale
Midwifery and Nursing	EOI-022	Penguin Mucus Sucker	Neonatal mucus extractor
Midwifery and Nursing	EOI-023	Oxygen Mask	Size 0 and 1 oxygen masks
Midwifery and Nursing	EOI-024	Oxygen Hood	Neonatal oxygen hood
Midwifery and Nursing	EOI-025	Nebulizer	Respiratory nebulization device
Midwifery and Nursing	EOI-026	Steel Bowl with Lid	Small stainless steel bowl
Midwifery and Nursing	EOI-027	Labour Room Trays	Delivery, episiotomy, baby, medicine and emergency trays
Midwifery and Nursing	EOI-028	Plain Scissors	Standard plain scissors
Midwifery and Nursing	EOI-029	Sims Speculum	Small, medium and large sizes
Midwifery and Nursing	EOI-030	Cuscus Speculum	Small, medium and large sizes
Midwifery and Nursing	EOI-031	Long Artery Forceps	Long surgical artery forceps
Midwifery and Nursing	EOI-032	Mayo's Scissors	Surgical Mayo scissors
Midwifery and Nursing	EOI-033	Uterine Sound	Gynecological measuring instrument
Midwifery and Nursing	EOI-034	Anterior Vaginal Wall Retractor	Gynecological retractor
Midwifery and Nursing	EOI-035	Sponge Holder	Surgical sponge holding forceps
Midwifery and Nursing	EOI-036	Autoclave with Drum	12x12 sterilization autoclave
Midwifery and Nursing	EOI-037	Small Steam Sterilizer	Steam sterilization equipment
Midwifery and Nursing	EOI-038	IV Stand	Intravenous fluid stand
Midwifery and Nursing	EOI-039	Labour Table with Mattress	Stainless steel labour table
Midwifery and Nursing	EOI-040	Delivery Trolley	Labour room delivery trolley
Midwifery and Nursing	EOI-041	BP Apparatus (Digital)	Digital blood pressure monitoring device
Midwifery and Nursing	EOI-042	Labour Table	Stainless steel labour table with mattress
Midwifery and Nursing	EOI-043	Oxygen Hood	Oxygen administration hood for newborns
Midwifery and Nursing	EOI-044	Adult Patient Cot	Adult patient cot/bed
Midwifery and Nursing	EOI-045	Bed Side Locker	Bedside storage locker
Midwifery and Nursing	EOI-046	MS Stool	Mild steel stool
Midwifery and Nursing	EOI-047	Tray with Cover	Stainless steel trays with covers
Midwifery and Nursing	EOI-048	Bowl without Cover	Stainless steel bowls
Midwifery and Nursing	EOI-049	Measuring Jug	Plastic measuring jug
Midwifery and Nursing	EOI-050	Stainless Steel Bowl	Large, medium and small bowls
Midwifery and Nursing	EOI-051	Enema Can	Enema can with assorted capacities
Midwifery and Nursing	EOI-052	Kidney Tray	Kidney trays of assorted sizes
Midwifery and Nursing	EOI-053	Catheter Tray with Cover	Stainless steel catheter tray
Midwifery and Nursing	EOI-054	Knife Tray with Cover	Stainless steel knife tray
Midwifery and Nursing	EOI-055	Feeding Cup	Feeding cup for patient care
Midwifery and Nursing	EOI-056	Douche Can	1 litre douche can
Midwifery and Nursing	EOI-057	Sputum Mug	Plastic sputum mug
Midwifery and Nursing	EOI-058	Bed Pan	Plastic bed pan
Midwifery and Nursing	EOI-059	Male Urinal	Plastic male urinal
Midwifery and Nursing	EOI-060	Stainless Steel Basin	Basin in assorted sizes
Midwifery and Nursing	EOI-061	Plastic Funnel	Funnels in assorted sizes
Midwifery and Nursing	EOI-062	Plastic Mug	Plastic mugs
Midwifery and Nursing	EOI-063	Tub for Sitz Bath	Tub used for sitz bath
Midwifery and Nursing	EOI-064	Trolley with Shelves	Stainless steel trolley
Midwifery and Nursing	EOI-065	Dressing Drum	Dressing drums in different capacities
Midwifery and Nursing	EOI-066	Cheatle Forceps	Stainless steel forceps
Midwifery and Nursing	EOI-067	Sponge Holding Forceps	Surgical sponge holding forceps
Midwifery and Nursing	EOI-068	Artery Clamp	Straight and curved clamps
Midwifery and Nursing	EOI-069	Dissecting Forceps	Toothed and non-toothed forceps
Midwifery and Nursing	EOI-070	Mosquito Forceps	Surgical mosquito forceps

Midwifery and Nursing	EOI-071	Kocher's Forceps	6-inch Kocher's forceps
Midwifery and Nursing	EOI-072	Tissue Forceps	Surgical tissue forceps
Midwifery and Nursing	EOI-073	Sinus Forceps	Surgical sinus forceps
Midwifery and Nursing	EOI-074	Biopsy Forceps	Stainless steel biopsy forceps
Midwifery and Nursing	EOI-075	Surgical Scissors	Surgical and Mayo scissors
Midwifery and Nursing	EOI-076	Mouth Gag	Mouth opening instrument
Midwifery and Nursing	EOI-077	Tongue Depressor	Tongue examination tool
Midwifery and Nursing	EOI-078	Nasal Speculum	Nasal examination instrument
Midwifery and Nursing	EOI-079	Aural Speculum	Ear examination instrument
Midwifery and Nursing	EOI-080	Otoscope	Ear examination instrument
Midwifery and Nursing	EOI-081	Ophthalmoscope	Eye examination instrument
Midwifery and Nursing	EOI-082	Oxygen Cylinder with Stand	Oxygen supply cylinder
Midwifery and Nursing	EOI-083	Oxygen Mask	Oxygen administration mask
Midwifery and Nursing	EOI-084	Digital Thermometer	Digital temperature monitor
Midwifery and Nursing	EOI-085	Glucometer Kit	Blood glucose testing kit
Midwifery and Nursing	EOI-086	Nebulizer Machine	Nebulizer with mask
Midwifery and Nursing	EOI-087	Sphygmomanometer	BP measuring instrument
Midwifery and Nursing	EOI-088	Pulse Meter	Pulse monitoring device
Midwifery and Nursing	EOI-089	Eye Bath Cup	Eye washing cup
Midwifery and Nursing	EOI-090	Pipettes	Glass pipettes 0.1 ml–10 ml
Midwifery and Nursing	EOI-091	Dropper	Laboratory dropper
Midwifery and Nursing	EOI-092	Wolf's Bottle	250 ml glass bottle
Midwifery and Nursing	EOI-093	Conical Flask	Laboratory conical flask
Pre-Clinical Sciences	COB-023	Brain Chart	Nervous system chart showing brain
Pre-Clinical Sciences	COB-024	Spinal Cord Chart	Nervous system chart showing spinal cord
Pre-Clinical Sciences	COB-025	Cardio-Vascular System Chart	Educational chart on cardio-vascular system
Pre-Clinical Sciences	COB-026	Respiratory System Chart	Educational chart on respiratory system
Pre-Clinical Sciences	COB-027	Lungs Chart	Educational chart on lungs
Pre-Clinical Sciences	COB-028	Trachea Chart	Educational chart on trachea
Pre-Clinical Sciences	COB-029	Larynx Chart	Educational chart on larynx
Pre-Clinical Sciences	COB-030	Digestive System Chart	Educational chart on digestive system
Pre-Clinical Sciences	COB-031	Oral Cavity Chart	Educational chart on oral cavity
Pre-Clinical Sciences	COB-032	Teeth Chart	Educational chart on teeth
Pre-Clinical Sciences	COB-033	Stomach Pancreas and Spleen Chart	Educational chart on stomach, pancreas and spleen
Pre-Clinical Sciences	COB-034	Small Intestine Chart	Educational chart on small intestine
Pre-Clinical Sciences	COB-035	Large Intestine Chart	Educational chart on large intestine
Pre-Clinical Sciences	COB-036	Liver and Gall Bladder Chart	Educational chart on liver and gall bladder
Pre-Clinical Sciences	COB-037	Kidney Microscopic Structure Chart	Educational chart on kidney microscopic structure
Pre-Clinical Sciences	COB-038	Skin Chart	Educational chart on skin
Pre-Clinical Sciences	COB-039	Eye Chart	Educational chart on eye
Pre-Clinical Sciences	COB-040	Ear Chart	Educational chart on ear
Pre-Clinical Sciences	COB-041	Female Reproductive System Chart	Educational chart on female reproductive system
Pre-Clinical Sciences	COB-042	Menstrual Cycle Chart	Educational chart on menstrual cycle
Pre-Clinical Sciences	COB-043	Male Reproductive System Chart	Educational chart on male reproductive system
Pre-Clinical Sciences	COB-044	Endocrine Glands Chart	Educational chart on endocrine glands
Pre-Clinical Sciences	COB-045	First Aid for Burns Chart	First aid chart for burns
Pre-Clinical Sciences	COB-046	CPR Adult Chart	Cardiac Pulmonary Resuscitation (Adult) chart
Pre-Clinical Sciences	COB-047	Emergency First Aid Charts	Charts for fracture, drowning, wounds, poisoning and bites
Pre-Clinical Sciences	COB-048	Bandaging Different Types Chart	Chart showing different types of bandaging

Pre-Clinical Sciences	COB-049	Skeleton System Chart	Educational chart on skeleton system
Pre-Clinical Sciences	COB-050	Muscular System Chart	Chart showing different muscles of the body
Pre-Clinical Sciences	COB-051	Joints and Ligaments Chart	Educational chart on joints and ligaments

P..Category	Product ID	Product Name	P.Description	NOTES
Laboratory Glassware & Plasticware	GLS-001	Beakers Low Form with Spout	Laboratory glass beakers available in multiple capacities from 5 ml to 500 ml.	To add the PAUL SCIENTIFIC WORKS GLASSWARE CATALOUGE on the webpage with this info
Laboratory Glassware & Plasticware	GLS-002	Reagent Bottles	Glass reagent storage bottles available in various capacities.	
Laboratory Glassware & Plasticware	GLS-003	Dropping Bottles	Glass dropping bottles for laboratory liquid dispensing.	
Laboratory Glassware & Plasticware	GLS-004	Bottles Aspirator	Aspirator bottles used for laboratory filtration and liquid handling.	
Laboratory Glassware & Plasticware	GLS-005	Specific Gravity Bottles	Glass bottles used for specific gravity determination.	
Laboratory Glassware & Plasticware	GLS-006	Gas Washing Bottles	Bottles used for gas washing and purification processes.	
Laboratory Glassware & Plasticware	GLS-007	Burettes	Precision graduated burettes for titration work.	
Laboratory Glassware & Plasticware	GLS-008	Gas Apparatus	Laboratory apparatus for gas generation and collection.	
Laboratory Glassware & Plasticware	GLS-009	Arsenic Apparatus	Apparatus designed for arsenic testing and experiments.	
Laboratory Glassware & Plasticware	GLS-010	Measuring Cylinders	Graduated cylinders for measuring liquid volumes accurately.	
Laboratory Glassware & Plasticware	GLS-011	Culture Tubes	Glass culture tubes for laboratory use.	
Laboratory Glassware & Plasticware	GLS-012	Centrifuge Tubes	Glass centrifuge tubes for centrifugation applications.	
Laboratory Glassware & Plasticware	GLS-013	Nessler Cylinders	Cylinders used for color comparison tests.	
Laboratory Glassware & Plasticware	GLS-014	Cutter Tubes	Glass cutter tubes available in various dimensions.	
Laboratory Glassware & Plasticware	GLS-015	Air Condensers	Condensers used in laboratory distillation setups.	
Laboratory Glassware & Plasticware	GLS-016	Liebig Condensers	Water-cooled condensers for distillation processes.	
Laboratory Glassware & Plasticware	GLS-017	Coil Condensers	Coil type condensers for efficient cooling.	
Laboratory Glassware & Plasticware	GLS-018	Double Coil Condensers	Condensers with internal coils for advanced cooling.	
Laboratory Glassware & Plasticware	GLS-019	Dimroth Condensers	High-efficiency condensers with spiral cooling tubes.	
Laboratory Glassware & Plasticware	GLS-020	Jacketed Coil Condensers	Jacketed condensers for controlled cooling operations.	
Laboratory Glassware & Plasticware	GLS-021	Allihn Condensers	Bulb condensers used in reflux applications.	
Laboratory Glassware & Plasticware	GLS-022	Chromatographic Apparatus	Glass columns and accessories for chromatography.	
Laboratory Glassware & Plasticware	GLS-023	Filtration Flasks	Side arm flasks used for vacuum filtration.	
Laboratory Glassware & Plasticware	GLS-024	Kjeldahl Flasks	Flasks used for Kjeldahl nitrogen analysis.	
Laboratory Glassware & Plasticware	GLS-025	Boiling Flasks	Round bottom boiling flasks for heating applications.	
Laboratory Glassware & Plasticware	GLS-026	Flask Receiver	Receiver flasks for distillation setups.	
Laboratory Glassware & Plasticware	GLS-027	Measuring/Volumetric Flasks	Precision volumetric flasks for solution preparation.	
Laboratory Glassware & Plasticware	GLS-028	Fractionating Columns	Glass columns for fractional distillation.	
Laboratory Glassware & Plasticware	GLS-029	Carbon Sulphur Determination Apparatus	Glass parts used for carbon and sulphur analysis.	
Laboratory Glassware & Plasticware	GLS-030	Flat Bottom Flask	General laboratory flat bottom flask.	
Laboratory Glassware & Plasticware	GLS-031	Flask Conical	Conical flasks used for mixing and heating liquids.	
Laboratory Glassware & Plasticware	GLS-032	Flask Round Bottom	Round bottom flasks for chemical reactions and heating.	
Laboratory Glassware & Plasticware	GLS-033	Distillation Flask with Side Tube	Flask designed for distillation processes.	
Laboratory Glassware & Plasticware	GLS-034	Separating Funnels	Funnels used for liquid-liquid separation.	
Laboratory Glassware & Plasticware	GLS-035	Dropping Funnels	Funnels used for controlled addition of liquids.	
Laboratory Glassware & Plasticware	GLS-036	Pressure Equalising Funnels	Funnels designed for pressure equalization during transfer.	
Laboratory Glassware & Plasticware	GLS-037	Buchner Funnels	Filtration funnels used in vacuum filtration.	
Laboratory Glassware & Plasticware	GLS-038	Thistle Funnels	Funnels used for adding liquids to apparatus.	
Laboratory Glassware & Plasticware	GLS-039	Gooch Crucibles	Crucibles made with sintered glass discs.	
Laboratory Glassware & Plasticware	GLS-040	Petri Dish	Glass petri dishes for microbiology and culture work.	
Laboratory Glassware & Plasticware	GLS-041	Water Distillation Apparatus	Apparatus used for laboratory water distillation.	
Laboratory Glassware & Plasticware	GLS-042	Moisture Determination Apparatus	Apparatus used for determining moisture content.	
Laboratory Glassware & Plasticware	GLS-043	Distillation Assembly	Complete assemblies for distillation applications.	
Laboratory Glassware & Plasticware	GLS-044	Stopper Holder	Laboratory glass stopper holders.	
Laboratory Glassware & Plasticware	GLS-045	Reduction Adapters	Adapters used to connect different joint sizes.	
Laboratory Glassware & Plasticware	GLS-046	Expansion Adapters	Adapters used for expanding glass joint sizes.	
Laboratory Glassware & Plasticware	GLS-047	Receiver Adapters	Receiver adapters for distillation apparatus.	
Laboratory Glassware & Plasticware	GLS-048	Delivery Bend	Bent delivery tubes for laboratory setups.	
Laboratory Glassware & Plasticware	GLS-049	Still Head	Distillation still head connectors.	
Laboratory Glassware & Plasticware	GLS-050	Splash Head	Splash head used in distillation assemblies.	
Laboratory Glassware & Plasticware	GLS-051	Drying Tube U-Shaped	U-shaped drying tubes for gas drying applications.	
Laboratory Glassware & Plasticware	GLS-052	Thermometer Pocket	Glass pockets for holding thermometers in apparatus.	
Laboratory Glassware & Plasticware	GLS-053	Pipettes	Graduated and volumetric pipettes for liquid transfer.	
Laboratory Glassware & Plasticware	GLS-054	Stopcocks	Glass stopcocks for controlling fluid flow.	
Laboratory Glassware & Plasticware	GLS-055	Stirrers	Glass stirrers used in laboratory mixing.	
Laboratory Glassware & Plasticware	GLS-056	Extraction Apparatus	Glass extraction units used in chemical extraction processes.	
Laboratory Glassware & Plasticware	GLS-057	Test Tubes	Standard laboratory glass test tubes.	
Laboratory Glassware & Plasticware	GLS-058	Boiling Tubes	Thick glass tubes for boiling liquids.	
Laboratory Glassware & Plasticware	GLS-059	Connection Tubes	Glass connection tubes for apparatus assembly.	
Laboratory Glassware & Plasticware	LAB-001	Conical Flask	Laboratory flask used for mixing, heating, and storing liquids.	These are the ones that have pictures
Laboratory Glassware & Plasticware	LAB-002	Beakers	General-purpose laboratory containers used for mixing and heating liquids.	
Laboratory Glassware & Plasticware	LAB-003	Round Bottom Flask	Glass flask commonly used for heating and distillation experiments.	
Laboratory Glassware & Plasticware	LAB-004	Reagent Bottle	Storage bottle designed for safe preservation of laboratory chemicals.	
Laboratory Glassware & Plasticware	LAB-005	Round Bottom Flasks, Two Necks	Specialised flask for chemical reactions requiring multiple connections.	
Laboratory Glassware & Plasticware	LAB-006	Wash Bottle	Plastic squeeze bottle used for rinsing laboratory equipment.	
Laboratory Glassware & Plasticware	LAB-007	Plastic Beakers	Durable plastic containers for laboratory measurements and mixing.	
Laboratory Glassware & Plasticware	LAB-008	Burette	Graduated glass tube used for accurate dispensing of liquids in titrations.	
Laboratory Glassware & Plasticware	LAB-009	Pipette	Laboratory instrument used for precise transfer of liquids.	
Laboratory Glassware & Plasticware	LAB-010	Dropping Bottle	Bottle designed for controlled dispensing of liquid drops.	
Laboratory Glassware & Plasticware	LAB-011	Aspirator Bottle	Container used for storing and dispensing distilled water or solutions.	
Laboratory Glassware & Plasticware	LAB-012	Filter Funnel	Used for filtration and safe pouring of liquids.

1 Biology	10	Provides microscopes, anatomical models & simulators, educational charts & boards, laboratory instruments, consumables, and school educational products for biological sciences education. Enhances practical understanding of life sciences, healthcare, and medical studies.
2 Chemistry	10	Contains chemistry glassware, laboratory instruments & equipment, educational charts & boards, consumables, models, and school educational products for chemistry practicals. Designed to support analytical experiments and effective laboratory-based learning.
3 Geography	20	Includes globes, maps, landform models, educational charts & boards, laboratory instruments, consumables, and school educational products for geography education. Supports practical understanding of physical geography, environmental studies, mapping, and earth science concepts through interactive learning.
4 Mathematics	74	Includes geometrical models, educational charts & boards, activity kits, measuring instruments, and school educational products for concept-based mathematics learning. Supports visualisation and practical understanding through interactive demonstrations.
5 Midwifery and Nursing	20	Covers patient-care simulators, medical models, maternal healthcare models, educational charts & boards, laboratory instruments & equipment, consumables, and school educational products for midwifery and nursing education. Supports development of clinical, diagnostic, and healthcare practical skills.
6 Physics	20	Includes laboratory apparatus, educational charts & boards, scientific instruments & equipment, consumables, models & simulators, and school educational products for physics teaching. Supports practical experiments, demonstrations, and interactive scientific learning in educational institutions
7 Pre-Clinical Sciences	39	Includes medical models & simulators, scientific instruments & equipment, educational charts & boards, consumables, and school educational products for anatomy and medical sciences teaching. Designed to support foundational healthcare and pre-clinical training.

Co. Vision, Mission	To manufacture and export high-quality educational and laboratory equipment that meets international safety and quality standards, supporting schools and institutions with reliable laboratory solutions.
Co. Tagline	Manufacturer & Exporter of School Laboratory & Educational Equipment
Co. About US	Paul Scientific Works is a trusted manufacturer and exporter of educational laboratory equipment with over 20 years of experience. The company specializes in Physics, Chemistry, Biology, Mathematics, and Geography laboratory equipment, along with laboratory glassware and plasticware. The products are supplied to government and private schools as well as online platforms like Amazon India. The company holds certifications including ISO 9001:2015, MSME Udyam Registration, IEC, GST Registration, Trademark Registration, and FEO Registration
